

## ***Step Right Up!***

The Stewardship Committee wants you to know that the 2010 pledge campaign is underway, and looks forward to your participation and support. This coming Sunday, the Stewardship Moment will include a brief update on the need to strengthen the giving patterns of our Congregation. The update will include references to a Step Chart placed near the altar, Feel free to bring this to services on Sunday just in case the chart cannot be viewed from your seat.

Now more than ever, all supporters of Sudbury UMC face a challenge to make sure our increasingly vibrant church emerges from the stewardship process with enough funding pledged to at least match the \$554,000 that was pledged for 2009.

Please join us on Sunday for this update. We look forward to seeing you.
